Veriton L460G-ED7400C Ultra-Compact Desktop

The ultra-compact Acer® Veriton® L460G has a physical volume of just over three quarts (three liters) but packs the power to spare. The almost-silent operation of this PC is conducive to a productive work environment, and its low power consumption helps keep costs down.

- Space-saving design
Frees up more room in your work area.
- Acoustic comfort
Quiet operation makes for a more pleasant work environment.
- Effortless manageability
Comprehensive monitoring and robust tools help to protect data and components.
